Access for emergency vehicles: Due to the need to maintain access for emergency vehicles and for safety reasons, parking is only allowed on one side of the street. If your street already allows parking on one side, you would not be granted parking on the other side. Please call the Public Works Department, 651-490-4650 or email cgrill@shoreviewmn.com if a special request is needed.

Revocation due to Snow Emergency: This parking permit shall be revoked during a snow emergency. Snow emergency parking regulations automatically go into effect on city streets following a snowfall event of two inches or more. No parking is allowed until streets have been plowed to full width. Violators will be tagged and towed at the owner's expense.
