

GENERAL REQUIREMENTS AND LIMITATIONS

Care Crew services are provided as a volunteer based service for elderly, handicapped, disabled, unable, single parent families or income challenged from the North Suburban communities in and near the Mounds View area.

Recipients are generally responsible for providing supplies and materials.

Liability waivers may be requested.

No projects requiring special licensing or permits.

Area business referrals will be made where appropriate.

Donations made to the Care Crew are used exclusively toward future Care Crew projects and local mission related activities.
