2025 BUDGET MAINTAINS ESSENTIAL SERVICES

At the September 15 meeting, the city council adopted a preliminary 2026 tax levy of \$18,902,796. This is an 8.65% increase from 2025.

The preliminary tax levy and corresponding capital budgets are designed to maintain essential services and programs including:

- Public safety (Ramsey County Sheriff and Lake Johanna Fire Department)
- Maintaining existing services, programs, and infrastructure
- Park maintenance and improvements
- Building inspections
- Community and economic development
- Community center operations and recreation programs

Value-added services

The increase in the city tax levy is mostly attributed to fire services, including a new fire station, police services, investment in current staff, and new positions to accomplish city council priorities.

There are three new positions included in the 2026 budget for fire services. These positions are important to maintain the expected level of service. There is also a tax levy for the new fire station. The increase in police services is primarily related to the negotiated police contract. The contract better aligns the police wages to be more competitive with other departments. The budget includes investment in the city's current staff, after a compensation and class study was completed in 2024. Maintaining high-level staff is necessary to keep city services running smoothly. Lastly, there are three new proposed positions in the 2026 budget:

- A sustainability intern to assist with the city council's sustainability goals, including developing a climate action plan and implementing the energy action plan.
- A part-time recreation coordinator to help expand recreation offerings and address the needs of Shoreview's changing demographics by fostering inclusive, responsive programming that reflects the diversity of our community.
- An executive assistant to take on many of the day-to-day clerical duties currently performed by the city manager and assistant city manager. This will enable them to focus on the strategic priorities of the organization.

The tax levy will have an estimated city tax impact of \$11.72 per monthly on the average value home.

A budget public hearing is scheduled for Monday December 1 at 7 pm in the city council chambers.

MEETING BROADCAST SCHEDULE

Channel 16 broadcasts live city council and planning commission meetings every month.

Live Shoreview City Council Meetings

- First and third Monday every month at 7 pm

Live Shoreview Planning Commission Meetings

- Fourth Tuesday of the month at 7 pm

Council and planning commission meetings can be streamed live at shoreviewmn.gov/agendas.

SERVE ON A CITY ADVISORY BOARD TODAY!

Did you know that the city has nine advisory boards with over 70 volunteers across them? These groups make recommendations to the city council on a variety of topics. They are a big part of keeping our high quality of life!

Bikeways and trails committee

- Advises on trails, bikeways, and other ways of transportation.

Economic development authority

- Supports existing and new businesses, encourages reinvestment throughout the city, and promotes creating new business, employment, and housing opportunities.

Economic development commission

- Supports business development and growth in the city

Environmental quality committee*

- Advises on environmental issues like trash and recycling, water quality, and sustainability measures.

Human rights commission*

- Advises on ways to create a community where all are welcomed, valued, and respected.

Parks and recreation commission

- Advises on park and recreation items.

Planning commission*

- Assists with long-range planning by reviewing and making recommendations on development applications, the city's comp plan, and the development code.

Public safety committee*

- Advises on public safety policies for police, fire, animal control, etc.

Snail Lake Improvement District Board

- Provides guidance on the management of Snail Lake.

*The city is now taking applications for these groups. All openings are for February 1, 2026 - January 31, 2029. We also have student openings for the bikeways and trails committee and environmental quality committee. Students must be a sophomore, junior, or senior and live in Shoreview or attend one of our three high schools. Student terms are through graduation.

Apply online at shoreviewmn.gov/committees. The deadline is November 14.

INNOVATION FLOWS TO SHOREVIEW

A new chapter in advanced manufacturing has officially begun in Shoreview. Binks, a leader in fluid handling technologies, celebrated the grand opening of its new 120,000-square-foot global headquarters on July 15.

The event was a milestone for the company and the Shoreview community, reinforcing the city's reputation as a hub for innovation, talent, and technology-driven growth.

"Shoreview was selected for its access to the marketing, product development, and electronic manufacturing talent needed to deliver Binks' technology-forward strategy," said Fred Sutter, CEO of Binks, in a July 15 press release.

The state-of-the-art facility consolidates Binks' former locations in Blaine and Oakdale into one dynamic site, now serving as the company's Controls Center of Excellence. The move allows Binks to centralize product design, development, and advanced manufacturing operations in line with their mission to power the smart factories of the future. It follows the company's purpose-driven philosophy, "The Binks Way," to empower employees, accelerate innovation, and ensure customer-focused decision-making.

The new facility features cutting-edge automation, including advanced powder coating and painting systems, designed to scale production capacity tenfold. With jobs spanning CNC machining, electromechanical assembly, product development, and more, Binks is creating highly skilled career opportunities that strengthen Shoreview's local economy.

The Binks facility is located at the Seven Lakes campus, where Deluxe offices were until 2020. The 50-acre site has several new office and industrial buildings under development and many already leased.

In addition to its headquarters in Shoreview, Binks maintains a strong national footprint with operations in Tennessee, and Michigan, and continues expanding globally across Europe and Asia.

Binks

SHOREVIEW DOWN PAYMENT ASSISTANCE PROGRAM FOR NEW HOME BUYERS

New home buyers in Shoreview can qualify for up to \$30,000 in down payment assistance. Low-interest loans are available for homes under \$425,000.

Amortizing: For buyers with incomes below 120% of the Area Median Income, you can get up to \$30,000, with low interest, paid back in monthly payments.

Due on Sale: For buyers whose incomes are at or below 80% of the Area Median Income, up to \$20,000 is available in a due-on-sale loan with 0% interest and no payments, paid back when the home is sold, transferred, or no longer owner-occupied. Additional funds, up to a combined total of \$30,000 may be used.

- Applies to single-family homes, townhomes, duplexes, and condominiums within Shoreview city limits.
- Property must be owner-occupied as a primary residence.
- Purchase price may not exceed \$425,000.
- Buyers must attend homebuyer education.
- Buyer may not have owned a home within 3 years.
- \$25 application fee
- There must be a minimum contribution of 3% of the purchase price paid by or on behalf of the borrower.

Interested in finding out more information? Contact our partner NeighborWorks Home Partners at 651-292-8719 or downpayment@nwhomepartners.org.

RENTAL LICENSES

All rental licenses in Shoreview expire on December 31.

Applications for a new license must be submitted before January 1. Licenses can be renewed if the property is up to code, the utility bill is current, and no conduct issues are not present.

- \$150 application fee, additional \$250 after due date
- \$50 1st reinspection fee, 2nd and additional reinspection: \$100
- Investigation per unit for unlicensed operation: \$300
- Multi-family: \$200 per building and \$10 per unit - no discounts.

SOLAR NEWS

Shoreview is home to a new ground-mounted solar array! Installed this summer next to city maintenance facilities and Hwy 96, this project adds solar to help power our buildings and benefit our community now and into the future.

Shoreview is one of 18 local governments across the state to receive grants from the Minnesota Department of Commerce Solar on Public Buildings Program to install solar power. The grant covers about 60% of the costs and the city will receive a 30% credit through the federal direct pay tax credit. Cedar Creek Energy installed the 100 panel system in August.

Benefits of the Solar on Public Buildings Program:

- Adding solar reduces energy costs.
- Our local economy benefits from investments made in expanding our energy infrastructure, and from adding clean energy jobs, like solar installations.
- Solar power helps reduce electricity-based greenhouse gas emissions.
- Solar power adds "homegrown" renewable sources of energy to our building and the state's electrical grid, since Minnesota currently imports 100% of its fossil fuels.

solutions for our
community.

GREEN COMMUNITY AWARDS

Taking small steps to start provides the momentum to keep going toward the finish line. That's a lesson that this year's Green Community Awards winners know firsthand.

They began projects to replace turf grass with flowers and divert storm water. Projects that grow (pun intended) every year.

Sarah Larson
Lilac Lane

Sarah started with native and pollinator friendly plant gardens in her backyard. This year she replaced a section of their front yard with native plants. The newest garden is already established and full of yellow and orange blooms. And she's already planning where to put the next garden. So far, she's converted 58 square feet from lawn to gardens with 102 native flowers and grasses.

Deb Masters
Bucher Ave

Five years ago, Deb received a grant to install a curb cut raingarden. The Masters live at the end of the block where rainwater used to come rushing down the gutter carrying debris and pollutants into a storm drain that discharges directly into Kerry Pond behind their house.

Now, the first flush of water is diverted into the raingarden which filters the water before it enters the groundwater. The plants are well established and create a beautiful space that provides habitat for countless pollinators.

Jaana Iverson
Bridge Street

Jaana saw an opportunity to spread her love of flowers beyond the retail plant store where she used to work. Her parents have a corner lot that was all grass along the boulevard. Over the past few years, she has turned it into a stretch of flowers, vegetables and plants that attract the attention of neighbors who ooh as they walk by, and of butterflies and other pollinators who visit for a meal or a rest.

GETTING READY FOR WINTER

SHOVELING TIPS

- Clear snow around the nearest fire hydrant and storm sewer
- Put carts out at the end of your driveway or yard, not in the street, on garbage and recycling day
- Shovel snow onto your yard, not into the street
- Plows work overnight and during the day – don't park on the street until it's been cleared
- Street parking is not permitted on city streets from 2 – 5 am

REDUCING SALT USE AT HOME

Have you ever gotten ocean water in your eyes or mouth? It's not a very pleasant feeling. While it can be fun to visit the salty ocean, here in Minnesota, we want to keep salt out of our waterways. Using excess salt harms plants and animals, pollutes our water, damages buildings, and corrodes vehicles, roads and bridges. Once you put salt down, it doesn't go away. Instead, it travels into our lakes, rivers, streams, and wetlands, putting aquatic life at risk and endangering our freshwater resources. Salt also alters the composition of soil, slows plant growth, and weakens the concrete, brick and stone that make up our homes, garages, bridges, and roads.

An easy way to reduce salt use is to use grit instead! Grit provides traction on slippery surfaces and can be swept up and reused for years. Watershed districts and management organizations are working with a variety of vendors to provide free grit to residents throughout the Twin Cities metro area. Check out getgrittymn.org to learn more about the grit giveaway.

Follow the tips below if you use salt on your driveway or walkway:

Shovel first

- Salt is more effective and less is needed when used after clearing snow

Choose the right product

- Salt won't work if the pavement is below 15 degrees

Spread salt across pavement

- More salt doesn't equal more melting
- A standard coffee-sized cup of salt is often enough to cover a typical driveway

Clean up

- Salt on dry pavement is not doing its job and can be swept up to use again

Do you live in an association or apartment building?

If a property management company does the snow and ice removal where you live, encourage them to attend a Smart Salting training from the Minnesota Pollution Control Agency. Use the QR Code to learn how to maintain safety, lower costs, reduce damage caused by salt, and reduce water pollution in an upcoming training.

Resident Resources

HOLIDAY RECYCLING

Ramsey County's new Environmental Center can accept many items that are leftover from the holidays and celebrations. Located nearby in Roseville, the facility opened this year with regular hours Tuesdays through Saturdays. When thinking of holiday gatherings and gifts, consider ways to reuse and cut down on waste. For items that you're throwing away, make sure you know where they go.

Visit [ramseyrecycles.com](https://www.ramseyrecycles.com) for information on how to get rid of many items from electronics to yard waste and more.

What holiday items can you bring to the Ramsey County Environmental Center?

- Batteries
- Cardboard
- String lights
- Electronics
- Extra recycling
- Food scraps

Location: 1700 Kent St, Roseville, 55113

Hours: Tuesday-Friday 11am-6pm, Saturday 9am-4pm, Sunday-Monday Closed

For more information on accepted items visit <https://www.ramseycountymn.gov/residents/recycling-waste/environmental-center>

Done with your evergreen tree? Bring your holiday/Christmas tree to a Ramsey County Yard Waste site or the Maintenance Center. Remove all lights, wires, and ornaments. No wreaths or boughs accepted. Maintenance Center, 4615 Victoria St N, Monday-Friday 7am-3pm

REMOVE ASH TREES NOW

Now is the time to make a plan for removal of your ash tree if you have not been treating it. Property owners are being asked to remove untreated ash trees on private property by the end of 2025.

Ash trees are being infested by emerald ash borer (EAB), an invasive insect that attacks and kills ash trees native to Minnesota. Treating ash trees with an insecticide trunk injection is effective when it is started early as a preventative strategy. Most trees that have not already been treated are too heavily infested for treatment at this time.

Tree companies doing work in the city are required to have a city license which provides proof of liability insurance. The city does not have funding to assist with tree removals on private property

TIPS FOR HIRING A TREE CARE COMPANY

- Check the list of licensed tree companies [shoreviewmn.gov/tree-trimmers](https://www.shoreviewmn.gov/tree-trimmers)
- Get more than one estimate from licensed companies
- Don't pay for work in advance
- Ask about the company's certifications and experience
- Make sure you understand what work is included in the estimate

RAMSEY COUNTY YARD WASTE SITES

FREE yard waste sites are open December - March during the hours listed below:

Mon – Fri: closed

Saturday: 9 am – 5 pm

Sunday: 11 am – 5 pm

Arden Hills – 1881 Hudson Ave

Accepts leaves, grass, garden waste, branches, trees, shrubs, food scraps

White Bear Township – 5900 Sherwood Road

Accepts leaves, grass, garden waste, branches, trees, shrubs, food scraps

Mounds View – 8307 Long Lake Road

Accepts leaves, grass, garden waste, food scraps

Keep leaves, grass, and brush out of the street, storm drains, ponds, and other public property. These excess materials pollute water, lead to nutrient buildup, and disrupt ecosystems.

CLIMATE TALK WITH DR. MARK SEELEY

As a faculty member in the U of M's Department of Soil, Water, and Climate from 1978 to 2018, Dr. Seeley participated in thousands of public speaking engagements, meetings, media interviews and person-to-person interactions where he shared his considerable knowledge of the critical relationship between climate and agricultural production.

CLIMATE CHANGE IN OUR OWN BACKYARD

Learn the connections between climate trends, climate change, and impacts that are already consequential in Minnesota.

CLIMATE CHANGE & RELIGION

Join Mark as he explores John Wesley's understanding of science and climate in the context of his religious beliefs and the founding of the Methodist Church.

Location: community center

HISTORY CHATS WITH LINDA HOPKINS

Instructor Linda Hopkins is an author and speaker on constitutional law. She is a retired attorney, past advisor to the President of the United States, consultant to the governments of Bulgaria and Nepal, former chair of a government data privacy commission, and author of a book on the law

NANCY WAKE: THE WHITE MOUSE OF WWII

She was a journalist, a socialite—and one of the most feared resistance leaders of World War II. Known as “The White Mouse” for her ability to elude the Gestapo, Nancy Wake commanded a 1,000-strong guerrilla army in occupied France, leading sabotage missions and daring raids. Don't miss this riveting talk on the woman who became one of the war's most unstoppable forces.

Location: community center

Registration deadline: one week before class

AGE	DATE & TIME	COST
18+	Thurs, March 12 1 – 3 pm	\$19; \$17 SV Res

For either program bring:

- Basic Federal and MN State tax forms
- Bring: current tax records
- Last year's tax return
- Social Security card and picture ID
- Income tax appointments last 1 – 2 hours

Tax aide cannot help: self-employment taxes, business taxes, complex trust or investments, states other than MN, or more than one year's returns.

Location: community center

Wednesdays only, February 4 – April 8, by appointment only

SPARKLING CONVERSATIONS

Join us for our new speaker series, SPARKling Conversations. The series brings big ideas, local voices, and thought provoking conversations. Join others from our community to learn, share, and connect. Discover something new, leave feeling inspired and connected. It's where curiosity meets community.

Location: community center
Registration deadline: two days before class

INTERNATIONAL HOLOCAUST REMEMBRANCE DAY

Ken Engel will share the story of his parents who survived the Holocaust. The stories of Holocaust (Shoah) survivors transcend time and remind us of the constant need to be vigilant citizens and to stop injustice, prejudice, and hatred wherever and whenever they occur. Ken is an active member of the Jewish Community Relations Council of Minnesota and the Dakotas. He leads training for survivors, children/grandchildren of survivors, community activists and lay members on how to effectively and comfortably share their stories. He serves as Chair of CHAIM (Children of Holocaust Survivors Association in Minnesota) and as a council member of Generations of the Shoah International, the world's largest Holocaust survivor family organization. Passionate about remembrance and education, Ken is dedicated to ensuring future generations understand the history and lessons of the Holocaust.

DR. MARK SEELEY – A LIFE IN CLIMATE, AGRICULTURE, AND COMMUNITY

For more than 40 years **Dr. Mark Seeley** served as Extension Climatologist and Meteorologist at the University of Minnesota, becoming a trusted voice on weather, climate, and their impacts on Minnesota life. Known for making complex science accessible, he provided guidance to farmers, communities, and policymakers across the state. In this engaging talk, Dr. Seeley will reflect on his career journey, his passion for climate education, and the lessons he's learned along the way. Join us to hear stories from a career dedicated to science, service, and community.

FROM BREAKING NEWS TO BLOOMING NEWS: HOW I GOT THE SHOT (AND HOW YOU CAN, TOO!)

Diana Pierce is a photographer, storyteller, and former longtime Minnesota journalist who made the transition from breaking news to blooming news. After more than four decades in broadcast journalism, Diana turned her lens toward capturing the beauty of flowers, gardens, and travel through her mirrorless Nikon Z-7. Her award-winning Bloom With Me newsletter combines images and stories that inspire readers to see the world through a fresh perspective. In 2025, she received the Golden Laurel Award for Best Blog from GardenComm International, recognizing her photography and writing that connect people with the wonder of nature. Today, her work appears in regional shows, calendars, and notecards, and she shares both the technical and storytelling aspects of "getting the shot".

SHOREVIEW PARKS & RECREATION SWIM LESSONS

Our mission is to provide inclusive swim lessons for everyone. Our fun and imaginative approach to lessons will help you create a lifelong love of swimming. Pick your best learning environment — group lessons or private lessons. Parent-to-instructor communication is key to successful lessons. Our instructors love to teach and receive ongoing training.

Swim lesson policies

- We do not provide make-up swim lessons for any classes
- Participants will be emailed specific program policies before the class starts

Cancellation policies & fees

- 10% fee for cancellations made 7 days or more before class start date
- 25% fee for cancellations made 6 days or less before class start date
- Programs/events under \$10 are non-refundable
- No refunds on or after class start date or for missed classes
- Scholarships available for Shoreview residents; restrictions apply

A note about swim lessons

- Due to high demand, private lessons are limited to 2 sessions per participant, per session
- Swim lessons are not canceled if Mounds View School District cancels after school activities due to weather
- Group classes with fewer than three registered participants will be canceled
- Students are not allowed to swim before or after lessons
- Students should use the bathroom and shower before entering the pool area
- Staff aren't allowed to take students to the bathroom
- If your child needs a quieter environment to learn, look at our Tuesday, Thursday, Saturday and Sunday lessons
- The pool water temperature is kept at 85 degrees

FREE SWIM LESSON CHECKS

Not sure of what level to register your child for? Reserve your time at shoreviewmn.gov. If your child has been away for more than three months we recommend repeating the previous level.

kidscorner preschool

School year of: September 14, 2026 – May 27, 2027

Kids Corner Preschool offers full-day pre-kindergarten and half-day preschool classes to help your child start their learning journey. Our programs focus on social, emotional, physical, and cognitive skills through both structured and free play activities. Kids also enjoy using the community center's amenities. Our goal is to make every child feel welcome, have fun, and develop a love for learning.

- \$100 non-refundable fee is required at the time of registration
- Full-day classes: first week of tuition is required at time of registration
- Half-day classes: first month of tuition is required at time of registration
- All students must be toilet-trained

Cancellation policy:

- Full-day: if you cancel before June 1, you will be refunded half of the first week's tuition
- Half-day: if you cancel before June 1, you will be refunded half of the first month's tuition
- No refunds after June 1
- No fee for non-school days

Calendar follows Mounds View School District 621 non-school days.

RHYTHM KIDS

Music Together’s Rhythm Kids is an energetic drumming-based music class for children ages 5 to 8, featuring weekly sessions filled with singing, movement, and rhythms from global musical traditions like West African Gahu, Japanese Taiko, and Brazilian Samba. Kids will explore musical creativity by composing, choreographing, and playing djembe drums, percussion instruments, and using their voices and bodies. As they develop musical skills and connect with world cultures, they’ll also build focus, coordination, and confidence—skills that last a lifetime.

Ages: 5 – 8
Location: community center
Registration deadline: one week before class

CLASS	DATE & TIME	COST
Rhythm Kids Demo	Sun, Dec 14 3:30 – 4:15 pm	Free
Rhythm Kids	Sunday, Jan 11 – March 15 3:30 – 4:15 pm	\$204; \$124 additional sibling

MUSIC TOGETHER

Experience the joy of Music Together with your baby, toddler, or preschooler in fun-filled, 45-minute weekly classes where families sing, move, and play together in a warm, supportive environment. Mixed-age classes encourage bonding, social connection, and whole-child development while helping little ones learn music as naturally as walking and talking. Parents and caregivers become confident music role models, receiving take-home materials like a CD, songbook, and digital downloads to keep the music going all week—plus, infants under eight months attend free with a paid sibling. Try a free demo class to see if this program is a good fit for your family.

Ages: 0 – 5
Location: community center
Registration deadline: one week before class

CLASS NAME	DATE & TIMES	COST
Music Together Demo	Sun, Dec 14 4:30 – 5:15 pm	Free

ICE SKATING GROUP LESSONS

Get an edge on winter by enrolling in ice skating lessons early.

PRE-SNOWPLOW | AGES 4 – 8

With a mix of fun games and drills, this class will help participants gain the strength and confidence to stand on their own while introducing preliminary skating moves and techniques.

SNOWPLOW SAM | AGES 4 – 10

Participants will learn to skate in a safe and fun environment. This class introduces preliminary moves that will help develop the familiarity, coordination and strength needed to maneuver on skates.

LEVELS 1 – 3 | AGES 6+

Our leveled classes encourage participants to trade in hesitation for excitement as their confidence grows with each stride. Participants will focus on skills that build their agility, balance, coordination and speed.

Helpful tips for skaters: lace skates more snugly in the middle of the shoe than at the top or bottom for best support. Skates should fit correctly – don't use skates that are too big. Keep the blades sharp. Wear one pair of light weight wool or synthetic socks. Cotton socks are not suitable for skating. If a child does not meet the basic requirements of the level registered for, the instructor will adjust the child's level.

Helmets and skates: for safety, all participants are required to wear helmets. Bike helmets are acceptable. **Helmets and skate rental are NOT available at the rink.**

Location: The Shoreview Arena, Hwy 96 & Victoria St.
Registration deadline: Dec 27

CLASS	TIME	COST
Pre-snowplow	Sat, Jan 3 – Feb 14 8 – 8:30 am	\$124; \$114 SV Res
Level 1	Sat, Jan 3 – Feb 14 8 – 8:30 am	\$124; \$114 SV Res
Snowplow	Sat, Jan 3 – Feb 14 8:35 – 9:05 am	\$124; \$114 SV Res
Level 1	Sat, Jan 3 – Feb 14 8:35 – 9:05 am	\$124; \$114 SV Res
Level 2	Sat, Jan 3 – Feb 14 8:35 – 9:05 am	\$124; \$114 SV Res
Pre-snowplow	Sat, Jan 3 – Feb 14 9:10 – 9:40 am	\$174; \$164 SV Res

RINKS

Shoreview has seven outdoor skating rinks with staffed warming houses. All of the locations below have lighted hockey* and general skating rinks
