

CERTIFICATION OF COMPLIANCE
MINNESOTA WORKERS' COMPENSATION LAW

Minnesota Statute, Section 176.182 requires every state and local licensing agency to withhold the issuance or renewal of a license or permit to operate a business or engage in an activity in Minnesota until the applicant presents acceptable evidence of compliance with the workers' compensation insurance coverage requirement of Chapter 176. The information required is: the name of the insurance company, the policy number, and dates of coverage or the permit to self-insure. This will be collected by the licensing agency and retained in their files.

This information is required by law, and licenses and permits to operate a business may not be issued or renewed if it is not provided and/or is falsely reported. Furthermore, if this information is not provided or falsely stated, it may result in a \$2,000 penalty assessed against the applicant by the Commissioner of the Department of Labor and Industry.
