

4600 VICTORIA STREET NORTH  
SHOREVIEW, MINNESOTA 55126  
651.490.4600 | shoreviewmn.gov

To the Shoreview community,

As COVID-19 continues, I understand that 2020 has been a challenging and difficult time for all of us. I want to thank you for your patience and understanding with the city as we have navigated through this.

Shoreview is a city that cares and we have taken every possible step to keep you and your families safe and healthy. This includes:

- Reopening city hall and the community center on a limited basis
- Adjusting, postponing, or cancelling recreation programs
- Requiring masks and social distancing
- Enhancing cleaning protocols
- Encouraging online or phone interactions as much as possible

Staff has also worked with residents and guests to refund or adjust memberships, birthday parties, and weddings in a fair manner.

As we move into fall and school starts, I ask that you continue to follow safety guidelines to help slow the spread. We all have a shared responsibility to look out for each other.

Knowing that outdoor activities are safe and fresh air can help both our mental and physical health, I encourage you to get outside this fall. With over 1,400 acres of open space and 55 miles of trails, there is a lot to explore in Shoreview. One new area to enjoy is the pond and skatepark at Shoreview Commons. It's a beautiful area to walk around and relax.

Please visit [shoreviewmn.gov/coronavirus](https://shoreviewmn.gov/coronavirus) for more information on city updates.

I know that we are a strong and caring community and we will get through this together.

On behalf of the city council and city staff,

Sandy Martin  
Mayor of Shoreview
