### **100 General Provisions**

#### **101 City Code**

##### **101.010 City Code.**

- (A) How Cited. This code of ordinances shall be known as The Shoreview City Code and may be so cited.
- (B) Additions. New ordinances proposing amendments or additions to the code shall be assigned appropriate code numbers and shall be incorporated into the code as of their effective date. Reference or citation to the code shall be deemed to include such amendments and additions. When an ordinance is integrated into the code, there may be omitted from the ordinance, the title, the enacting clause, the clause indicating date of adoption, and validating signatures and dates. In integrating ordinances into the code, the City Manager, in cooperation with the City Attorney, may correct obvious grammatical, punctuation, and spelling errors; change reference numbers to conform with sections, articles, and chapters; substitute figures for written words and vice versa; and perform like actions to insure a uniform code of ordinances without, however, altering the meaning of the ordinances enacted.
- (C) Title Headings; Cross References. Chapter, section, subdivision, and other titles shall not be considered part of the subject matter of this code but are intended for convenience only and not necessarily as comprehensive titles.
- (D) Copies. Copies of this code shall be kept in the office of the City Manager for public inspection or sale for a reasonable charge, as determined by the City Council.
